INFORMATION

Only your imagination can limit your design! Go traditional, or as creative as you want! Just ensure the materials you use will withstand the elements for a week as your scarecrow should be in your front garden / where it can be seen **by 10am on Saturday 10th until 5pm on Sunday 18th Sept** and judging will take place all week by the public. You DO NOT have to use straw and there is no theme for this first year. Only entries that have an official entry number will be eligible to be entered into the competition.
(If you would like to enter but have nowhere to display your scarecrow, contact GPscarecrow.festival@yahoo.com)

Scarecrow Trail sheets will be available from Facebook, the pub and community shop from 10am on Saturday 10th. Use this so you don't miss any scarecrows on your walk around the village. Follow the map to view all the entries as you are the judges! (Judging by the public will take place for the whole week.) A voting sheet with instructions will be attached to the map. Vote for your favourite by 12noon on Sunday 18th Sept. Votes will be calculated and the winner announced at the pub and on Facebook on Sunday 18th.
(If there is a tie in the voting results those entries will be pulled out of a hat to be placed 1st, 2nd, 3rd as required).

£75 cash - 1st Prize - donated by Hire or Buy Group
£50 voucher for The Bell - 2nd Prize
