

1350-1400

Church Remodelled

1350 - Porch added with stone benches for "jurors" to witness marriages.

1380 - Tower built, nave shortened.

1400 - Bells installed, they arrived by river, Bell Ford was made to unload them, thus giving its name to the adjacent Bell Ford Meadow. There are now six bells rung regularly after a refurbishment in 2018.

Monarch: Edward III
670-620 years ago
